Slogan

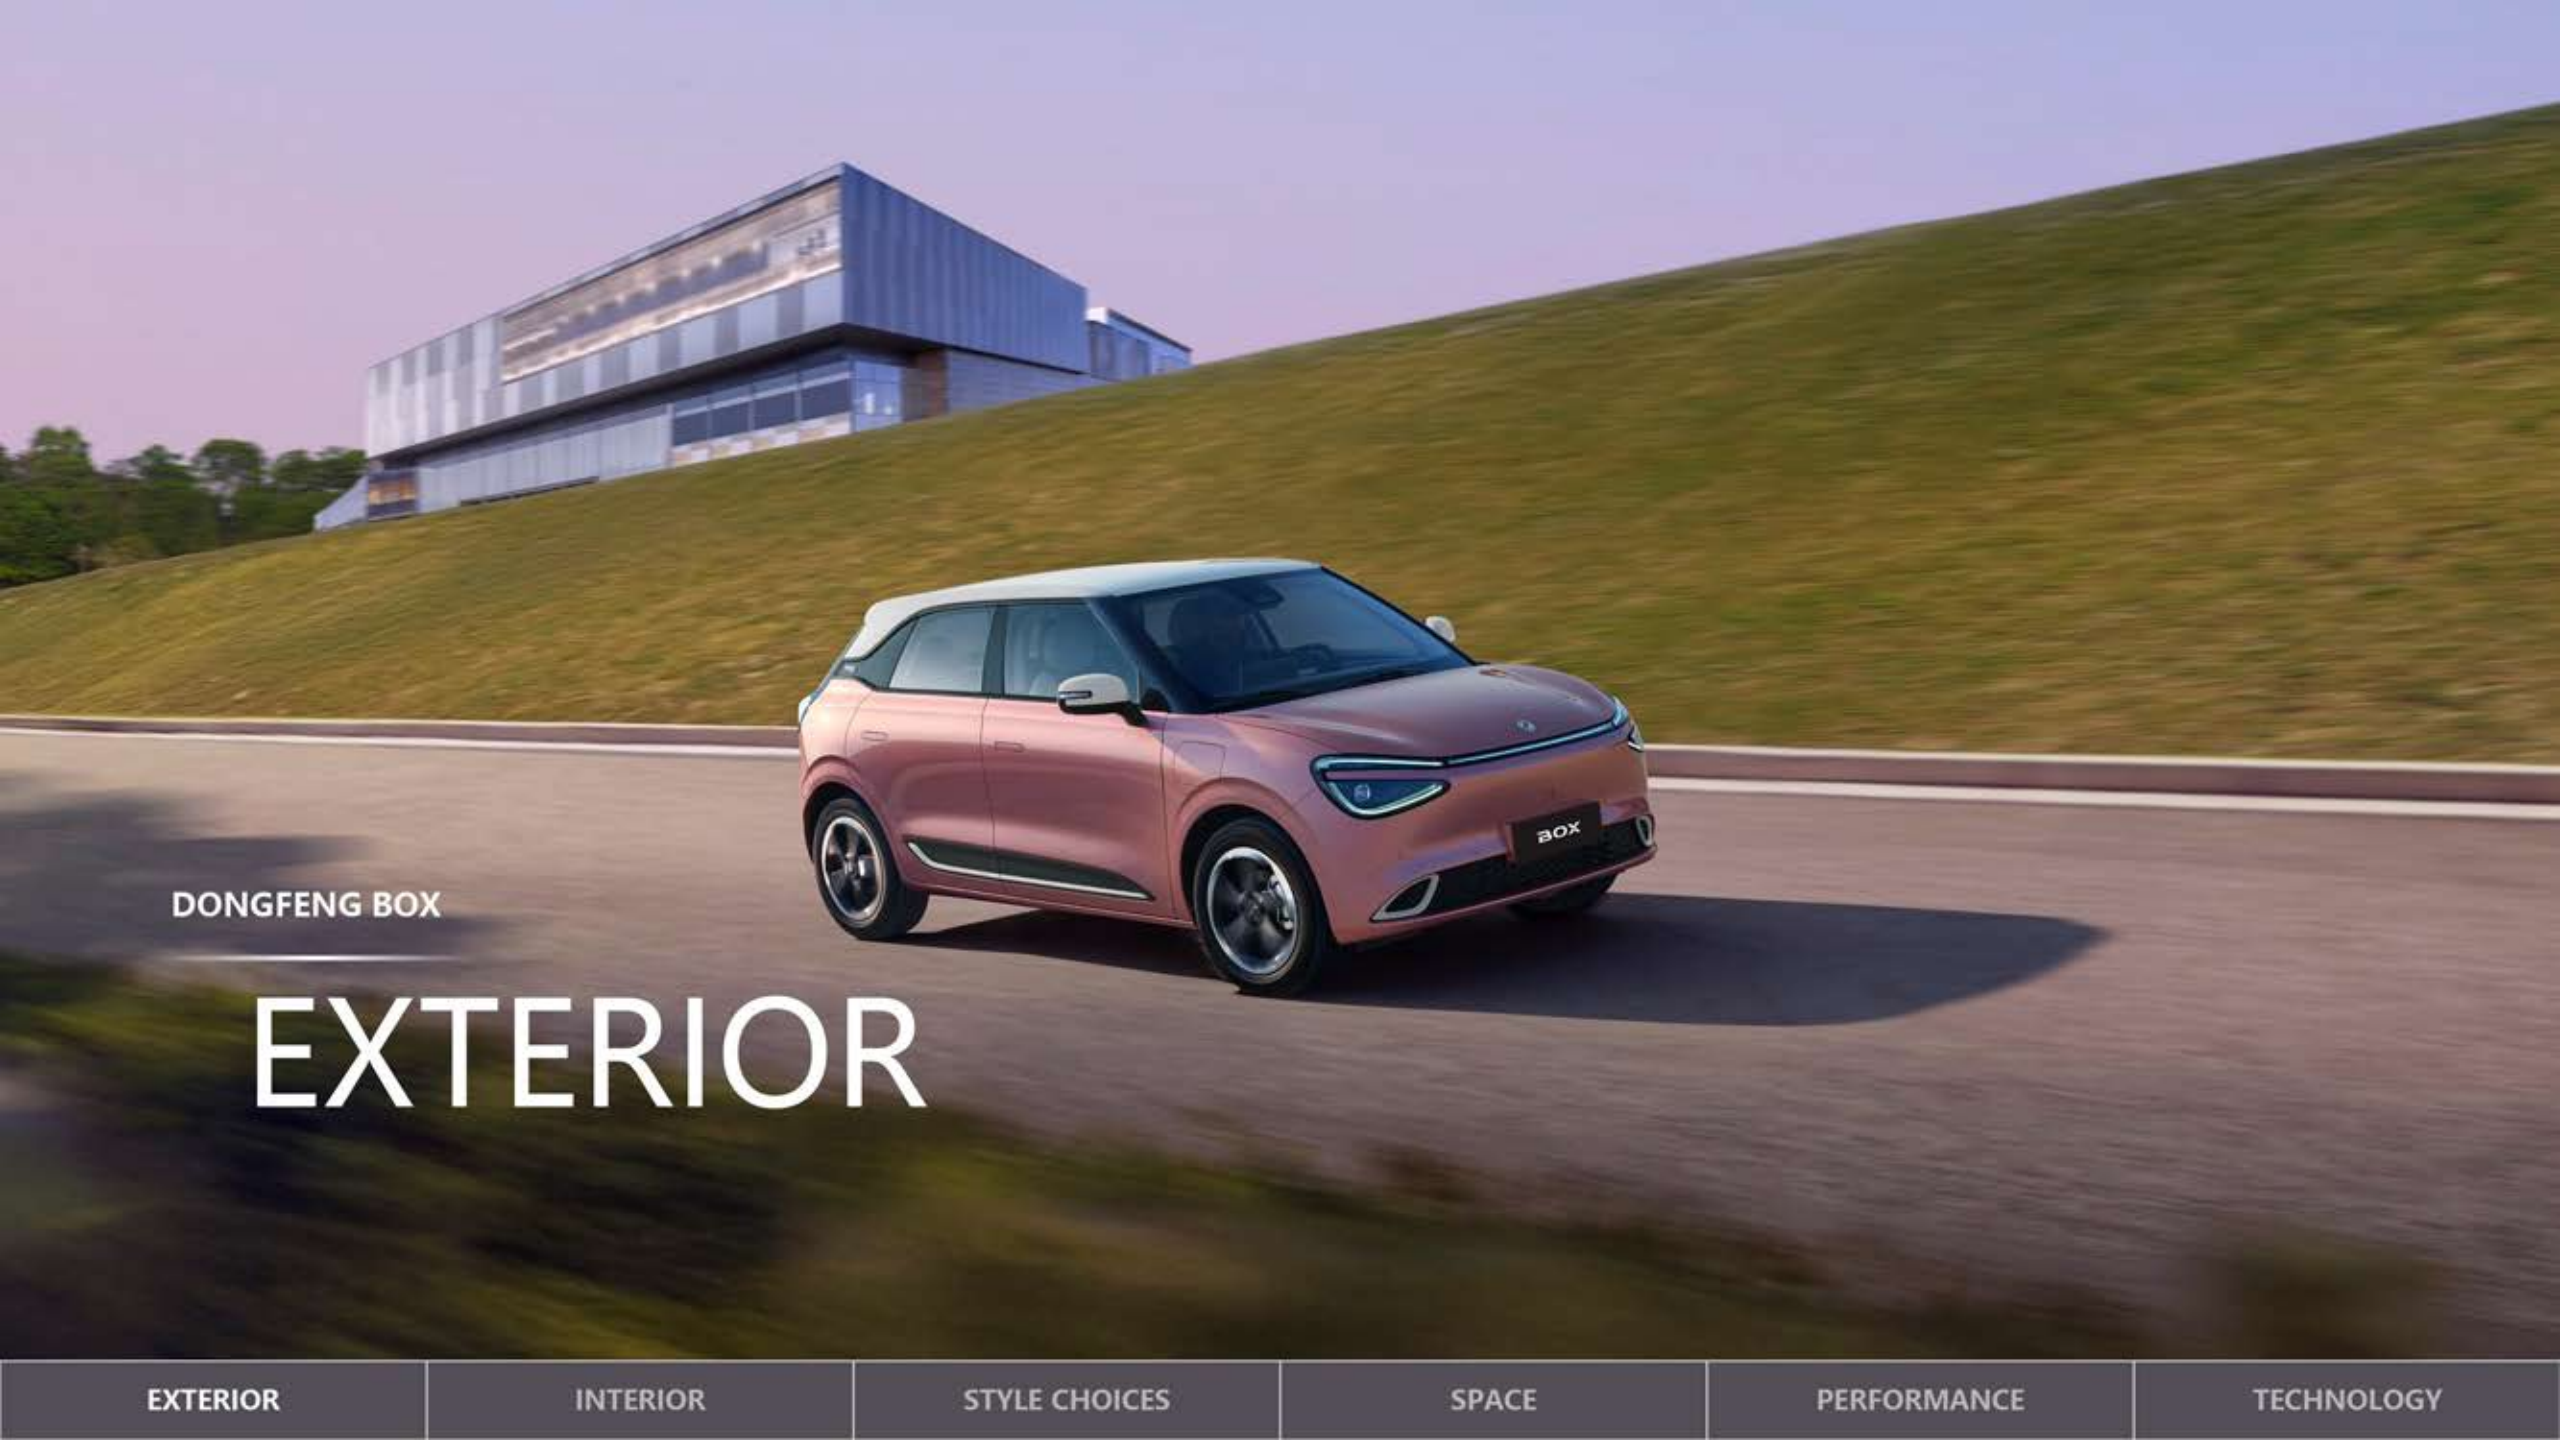

BOX the World, Lead the Trend

Unique Selling Proposition

- Exquisite design
- Versatile space
- Intelligent technology

Dongfeng's first global model available in LHD and RHD versions, and the first model built on the newly developed Quantum Architecture 3.0 platform.

A red Dongfeng Box car is shown driving on a paved road that curves to the right. The car is a small, two-door hatchback with a white roof. In the background, there is a modern building with a blue and white facade situated on a grassy hill. The sky is a clear, light blue.
